#### Instructions:

For detailed instruction for making this card, please see the video tutorial.

- Attach the Pleased as Punch DSP to the right hand side of the card front.
- Stamp the coffee cup with Balmy Blue onto the smaller of the two Whisper White card panels. Stamp the steam with Early Espresso and the decorative flower with Crushed Curry.
- Cut out a Stitched Shape Circle from the Stitched Shapes Dies using the scrap of Daffodil Delight.
- Use Early Espresso ink to stamp the word "this" and the "xoxoxo" onto the scrap white. Trim out with a Paper Snips and attach to circle cut out. Attach the circle cut out with the sentiments to the coffee cup panel.
- Use a couple of small pieces of Whisper White Flax Ribbon to accent the front panel as shown. Then, attach the completed panel to the card front with Dimensionals.
- Put the "bluish" sequins onto glue dots and scatter about your card.
- Stamp some flowers on the inside panel with Crushed Curry ink using a couple of generations as shown. Then, stamp the sentiment with Early Espresso ink.
- Add the strip of DSP to the bottom of the inside panel and then attach the panel to the inside of the card.
