Instructions:

You may wish to refer to the video for visual instructions.

- Once all of the pieces have been die cut and embossed as directed above, begin by putting together the flowers and leaves. Then, layer the Mint Macaron Circles to the Basic Black Scalloped Circles.
- Adhere the Pool Party card base to the Basic Black panel. Adhere the Flirty Flamingo DSP strip to the right side of the card base as shown.
- Adhere the 3/4" Scallop Edge to the left side of the card base so that just a tiny strip of scallops shows through to the front of the card.
- Put the leaves onto the front of the card base. Adhere the large circle to the front of the card base as shown. Attach the large poppy to the circle with Dimensionals.
- Adhere the other circle set to the inside panel as shown, then attach the smaller poppy to the circle cut out.
