- Flowers for Every Season DSP – 2-1/2" x 5-1/4" in the sunflower pattern, 1/2" x 5-1/4" strip for an accent on the left side of the inside panel
- Cinnamon Cider – 2-15/16" x 4-3/16"
- Thick Whisper White – 2-3/4" x 4"5-1/4" panel for inside panel; scrap for making a mask

Instructions:

You may wish to refer to the video for visual instructions.

- Adhere the Designer Series Paper to front and inside panels
- Stamp with Tuxedo Black Memento Ink the sunflower bouquet at the top of the Thick Whisper White panel. Stamp it again on the scrap of Whisper White and fussy cut along the inside of the bottom portion of the stamped floral image – this will be your mask – which you will use on the next step.
- Take the mask that you created and set it over the image you stamped for the front panel, lining up the fussy cut scrap with the bottom of the image
- Stamp the jar, it be aware that it will slightly overlap the mask that you created . . . which is the point! It will give the impression that the flowers are overflowing the top of the jar.
- Color the image with Stampin' Blends.
- Secure the finished image to the Cinnamon Cider panel.
- Use the Cinnamon Cider Ribbon and do a wrap as shown. Then make a tie on with another piece of ribbon.
- Secure to the front of the card with Dimensionals.
- Use the Take Your Pick Tool to grab 2020-22 In Color Enamels and place onto the card as shown for the perfect finishing touch!
