#### Measurements for Cutting and Scoring:

- Basic Gray – 4" x 5-1/4" for outside embossed and die cut panel, 3-3/4" x 4-3/4" for inside layer

#### Instructions:

You may wish to refer to the video for visual instructions.

- Run the Basic Gray through the Stampin' Cut & Emboss Machine using the second largest Celebration Label Die. Then, emboss both the front panel and the cut out with Absolutely Argyle 3D Embossing Folder
- With the scraps of Whisper White, Die cut two Celebration Labels with the smallest label die. Cut one in half and stamp Hello Friend with Tuxedo Black ink as shown. Stamp an inside sentiment on the other one, also with Tuxedo Black ink.
- If desired, set up the Stamparatus so that the flower image will stamp on the left side of the card front. Ink up with Craft White ink and stamp. If you are using a Stamparatus, you will be able to re-stamp over the top of the image until you achieve even coverage of your image.
- Wrap a piece of Whisper White Polka Dot Tulle around the prepared Basic Gray panel.
- Add the sentiment. Trim even with the bottom of the Basic Gray panel if desired.
- Adhere to the front of the card base.
- Tie on a bow as shown.
- Add the smaller Basic Gray panel to the inside panel of the card. Add the layer of Whisper White.
- Add the embossed die cut as shown and then the inside sentiment.
- Use the Take Your Pick Tool to grab some pearls and scatter them onto the front of your card for the perfect finishing touch!
