Instructions:

You may wish to refer to the video for visual instructions.

- Fold the Whisper White panel into an easel shape and then attach to the Night of Navy Base Panel. Add the 4" x 5 1/4" panel of Snowflake Splendor DSP onto the base as shown.
- Attach the other panel of Snowflake Splendor DSP to the Night of Navy Panel that is just slightly bigger. The bottom half of this panel can be attached to the easel portion of the Whisper White fold as shown below.
- Take the panel of Night of Navy paper that's been embossed with the Winter Snow Embossing Folder and wrap the bottom right hand corner with the Snowflake Splendor Ribbon. I secure the ends on the backside with Scotch Tape. Tie off a bow and add to the wrap as shown with a Glue Dot.
- Stamp the small and medium poinsettia leaves with Night of Navy ink onto scrap Whisper White. Die cut and color with Balmy Blue Stampin' Blends. Attach the two dies together as shown forming the flower.
- Die cut/emboss the large petal die on the Balmy Blue paper. Cut away two of the leaves and attach behind the flower. Cut one more leaf away and attach it to the flower as well. Adhere to the embossed Night of Navy panel as shown with Stampin' Dimensionals.
- Put a Beaded Pearl Embellishment into the center of the flower using Mini Glue Dots. Attach the finished panel to the card as shown with Stampin' Dimensionals.
- Stamp the sentiment onto the scrap of Balmy Blue and die cut with Stitched Rectangle Die that will fit the Night of Navy panel. Adhere the two panels together and then attach to the card as shown.
