You may wish to refer to the video for visual instructions.

- Die cut the banner from the scrap of Very Vanilla card stock. Use a Paper Snips to trim the banner as shown. Stamp the sentiment with Early Espresso ink onto the banner die cut.
- Stamp the top and the bottom of the blooms image onto the Artistry Blooms Designer Series Paper.
- Layer the stamped image panel to the Early Espresso panel. Wrap one of the corners with a strip of Rococo Rose Gathered Ribbon and secure in the back. Tie on another strip of ribbon as an accent as shown.
- Attach the sentiment banner as shown with Stampin' Dimensionals.
- Adhere the completed panel to the front of the Cajun Craze card base.
- Stamp a little of the bloom along the left bottom edge of the Very Vanilla inside panel. Add the strip DSP to the bottom edge. Attach the panel to inside of the card base.
