Instructions:

You may wish to refer to the video for visual instructions.

- Stamp the pumpkin or the apple onto the scrap of Cherry Cobbler or Pumpkin Pie and punch out with the Apple Builder Punch. Punch out leaves/stem from scrap of green card stock of choice and attach to the back of the punch out with Mini Glue Dots.
- Layer the Plaid Designer Paper onto the Brushed Metallic, followed by the embossed layer of Brushed Metallic.
- Color the Whisper White Crinkled Seam Binding with a Dark Stampin' Blend to match the card base. Wrap a section around the layered panels. Add the pumpkin or the apple punch out with Stampin' Dimensionals as shown. Add a bow as shown with a glue dot. Add a coordinating rhinestone on the shoulder of the apple or pumpkin as shown.
- Attached the finished front panel to the card base.
- Layer the strip of Brushed Metallic behind the 1-1/4" strip of Plaid Tidings paper so that just a small edge is showing. See the inside panel in the photo below.
- Attach to the Whisper White panel as shown and then to the inside panel of the card.
