Cutting & Scoring:

- Basic Black or Basic Gray Card Base – 5-1/2" x 8-1/2", score & fold at 4-1/4"
- Red or Green Foil – 3-7/8" x 5-1/8"; and a thin strip 3-7/8" long for layering on the inside panel
- Magic in This Night DSP – 3-3/4" x 5"; 3/4" x 3-7/8" for layering on the inside panel
- Whisper White – 3-7/8" x 5-1/8" for the inside panel; scrap for sentiment cut out

Instructions:

You may wish to refer to the video for visual instructions.

- Die cut the Detailed Band Die from the foil. I used Adhesive Sheet pieces on the backside so that I would be able to apply the die cut to the card without using glue. Be sure that you layer the die over the foil at an angle as the panel will be one of your layers on the card.
- After the die is cut out, layer the Designer Series Paper of your choice over the foil. Attaching it with Multipurpose Liquid Glue will give you a bit of wriggle room so that you can get the borders nice and even.
- Peel the Adhesive sheet away from the back of the die cut and place as shown on the DSP. Trim so that it is even with the panel edge and then attach the panel to the front of the card.
- Stamp the sentiment you would like to use onto the scrap of Whisper White. Cut with Detailed Band Die. Attach as shown to the front of the card with Stampin' Dimensionals.
- Stamp the inside sentiment onto the panel of Whisper White and then layer up the bottom as shown with the DSP and foil. Attach to the inside panel of the card.
