Instructions:

You may wish to refer to the video for visual instructions.

- Attach the left and right panels of Designer Series Paper to the front of the card base as shown.
- Attach the strip of DSP to the bottom of the 4" x 5-1/4" panel of Whisper White. Stamp an inside sentiment. Attach to the inside of the card.
- Stamp the birthday sentiment with Cinnamon Cider ink onto a scrap of Whisper White. Use the Banner Die Cut from the Tasteful Labels Dies and cut out.
- Cut out another banner from the scrap of Bumblebee. Cut it in half and layer it behind the sentiment banner as shown.
- Die-cut from a scrap of Whisper White the largest die from the Stitched Nested Labels. Use the Tuxedo Black ink and stamp the flowers at the very top of the label. Stamp another bouquet on scrap Whisper White. Color the images with Stampin' Blends.
- Stamp the jar with Cinnamon Cider over the top of the scrap of Cinnamon Cider DSP. Punch out with the Jar Punch. Attach to the Nested Label below the stamped and colored bouquet.
- Attach the Nested Label to front of the card base as shown. Make sure to leave enough room on the right hand side for the sentiment banner.
- Fussy-cut the five largest flowers out of the scrap and use Dimensionals to layer over the image stamped on the label die-cut as shown. Attach the sentiment banner to the jar with Dimensionals.
- Create a bow with the Old Olive Ribbon and attach to the jar just below the bouquet with a Mini Glue Dot.
