Cutting & Scoring:

- Mossy Meadow – 4-1/4" x 11" card base, score & fold at 5-1/2" and 6-3/4
- Mossy Meadow Gingham from Heartwarming Hugs DSP – 4" Square; 1" x 4"
- Whisper White – 4" Square for the inside panel; scrap for die cutting and stamping

Instructions:

You may wish to refer to the video for visual instructions.

- Glue the 1-1/4" section to the back of the card base so that the front opens in a 4-14" square.
- Add the Designer Series Paper to the front panels as shown.
- Figure out how much Linen Thread that you will need to wrap the card base twice and then tie off into a bow. Use the Dark Cherry Cobbler Stampin' Blend to color the Linen Thread. Let dry for a couple of minutes and then tie around the card as pictured. If you don't care to make bows, you can tie off into a knot which also looks great.
- Use the largest Stitched Shapes Circle Die and your Stampin' Cut & Emboss Machine to cut out a circle. Stamp the wreath into the center of it and color with your Light Mossy Meadow Stampin' Blend. Attach into the center of the 4" square of DSP on the front of the card.
- Stamp the flower images onto scrap, color with Stampin' Blends and then fussy cut. Stamp the sentiment and fussy cut. Layer up as shown and adhere.
- Use the Take Your Pick Tool to grab a couple of Frosted Epoxy Droplets to accent the center of the flowers.
- Stamp the inside sentiment onto the 4" square of Whisper White. Adhere to the inside panel.
