Instructions:

You may wish to refer to the video for visual instructions.

- Stamp the shell onto the scrap of Bermuda Bay cardstock and fussy cut.
- Stamp the inside sentiment onto the Basic White panel. Add the strip of designer series paper to the bottom of the panel and attach to the inside of the card base.
- Run the 4" x 5-1/4" panel of Bermuda Bay through the Stampin' Cut & Emboss Machine with the Parisian Flourish 3D Embossing Folder. Glue down to the front of the card base.
- Stamp the sentiment onto the front of the Oh, So Ombre panel as shown. Attach to the Basic Black panel. Add the Metallic Mesh Ribbon to the bottom of the panel and attach in the back side of the panel. Add to the front of the card base as shown with Stampin' Dimensionals.
- Add the shell with Stampin' Dimensionals as shown.
- Use the Take Your Pick Tool to attach the Opal Rounds. If they are "floating" on the ribbon, secure them down with a mini glue dot below the mesh ribbon.
