- Terracotta Tile – Scrap for die-cut
- Basic White – 4" x 5-1/4" for inside panel; Scrap for die-cut

### Instructions:

You may wish to refer to the video for visual instructions.

- Use the Stampin' Cut & Emboss Machine and the Layering Ovals Dies to cut an oval sentiment panel from the Basic White Scrap.
- Use the Stampin' Cut & Emboss Machine and the Stitched Shapes oval to cut a mat for the sentiment with the Terracotta Tile scrap.
- Stamp Happy Birthday with Bermuda Bay ink and add some second-generation ink dots to the lower left corner of the Basic White inside panel. Punch an ice cream cone as shown from the scraps of DSP and use it as a cute accent over the dots in the lower left. Attach the completed panel to the inside of the card base.
- Stamp some second-generation ink dots onto the Basic White oval and then stamp Treat Yourself onto it. Layer it onto the Terracotta Tile oval and set aside.
- Attach the panels of Designer Series Paper to the front of the card base as shown. Add the sentiment panel with Stampin' Dimensionals.
- Put tiny drops of glue onto various ice cream cones and then use the Take Your Pick Tool to pick up and place each Sprinkle Dot over the glue. Let dry and enjoy!
