- Basic White – 4" x 5-1/4" for inside panel; Scrap for Circle die-cut and for stamping the ice cream sticks.

### Instructions:

You may wish to refer to the video for visual instructions.

- Use the Stampin' Cut & Emboss Machine and the Layering Circles Dies to cut a Scallop Circle from the Bermuda Bay scrap and a slightly smaller straight edged circle from the scrap of Basic White scrap.
- Stamp the You're So Cool sentiment with Cinnamon Cider ink at the top of the circle die-cut and then stamp the tops of the treats with So Saffron and a second-generation image of Highland Heather. Overstamp the bottom of the cool treat using Bermuda Bay and Rich Razzleberry as shown. Add the accent dots with Bermuda Bay and Rich Razzleberry. Attach the stamped circle to the Bermuda Bay Circle.
- Stamp the ice cream sticks with Cinnamon Cider and fussy-cut. Adhere to the bottom of the frozen treats' images.
- Stamp the Basic White panel with Happy Birthday if desired and place the dotted strip of DSP onto the bottom of the Basic White panel, then adhere it to inside panel of the card base.
- Add the strip of Bermuda Bay to the green dots DSP and then layer the Frozen Treats DSP over that. Trim any edges even and attach the panel to the front of the card base.
- Use Stampin' Dimensionals to add the circle image to the front of the card as shown.
- Tie a double bow with white Twine and attach to the card as shown with a Mini Glue Dot.
