

HOW TO ENTER A HOST CODE

HOST_CODE_PDFINDD | 05-04-21 | v1

The screenshot shows the Stampin' Up! online store interface. At the top left, a red circle with the number '1' points to the 'USA' dropdown menu. At the top right, a red circle with the number '2' points to the 'Sign In | Create Account' links. Below the navigation bar, a red circle with the number '3' points to the 'SHOPPING CART' header. The cart table contains one item: '150673 MINI STAMPIN' CUT & EMBOSS MACHINE' priced at \$60.00. A red circle with the number '4' points to the 'HOST CODE (OPTIONAL)' section, which includes an 'Enter Code' input field. A red circle with the number '5' points to the 'APPLY' button next to the input field. Below the input field, a red circle with the number '6' points to the 'CHECKOUT' button. The 'ORDER SUMMARY' section shows a subtotal of \$60.00. At the bottom, there is a 'COUPON CODE' input field with a plus sign.

1. To use a host code, orders must be placed through the online store. Check that your demonstrator's name is in the upper left corner to ensure your order is placed with them.
2. To begin shopping, log in or create your own personal account.
3. Add products to the shopping cart.
4. AT ANYTIME BEFORE CHECKING OUT . . . Enter and apply the HOST CODE you received from your demonstrator.
 - Click "ADD HOST CODE" to expand the box so the code can be entered.
5. Don't forget to click the "APPLY" button once the host code has been entered - the code will not be entered unless APPLY is clicked.
6. Complete shopping then CHECKOUT to enter shipping and payment information.
